Where pristine air meets panoramic views of the bhagabatipur mountains.

Windows along with a spacious sliding door to the balcony enhance natural lighting and airflow

The layout comfortably accommodates key appliances, an efficient sink–stove–refrigerator workflow, and sufficient storage without congestion

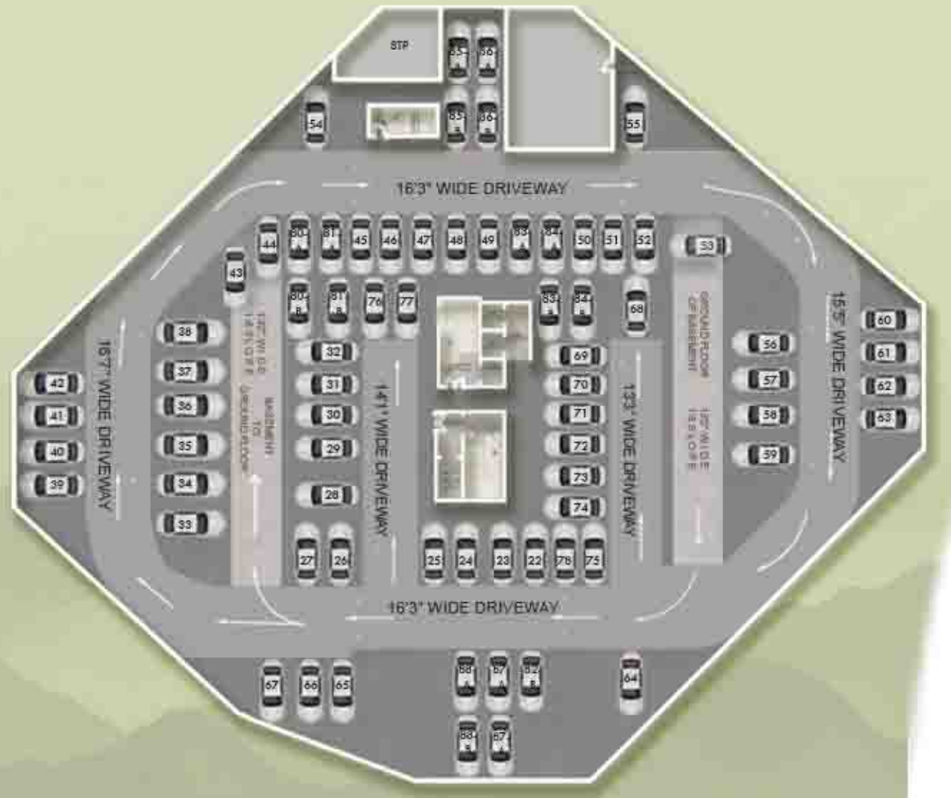

The 8'0" × 5'0" toilets are thoughtfully planned with ample space for a shower, W.C., and washbasin

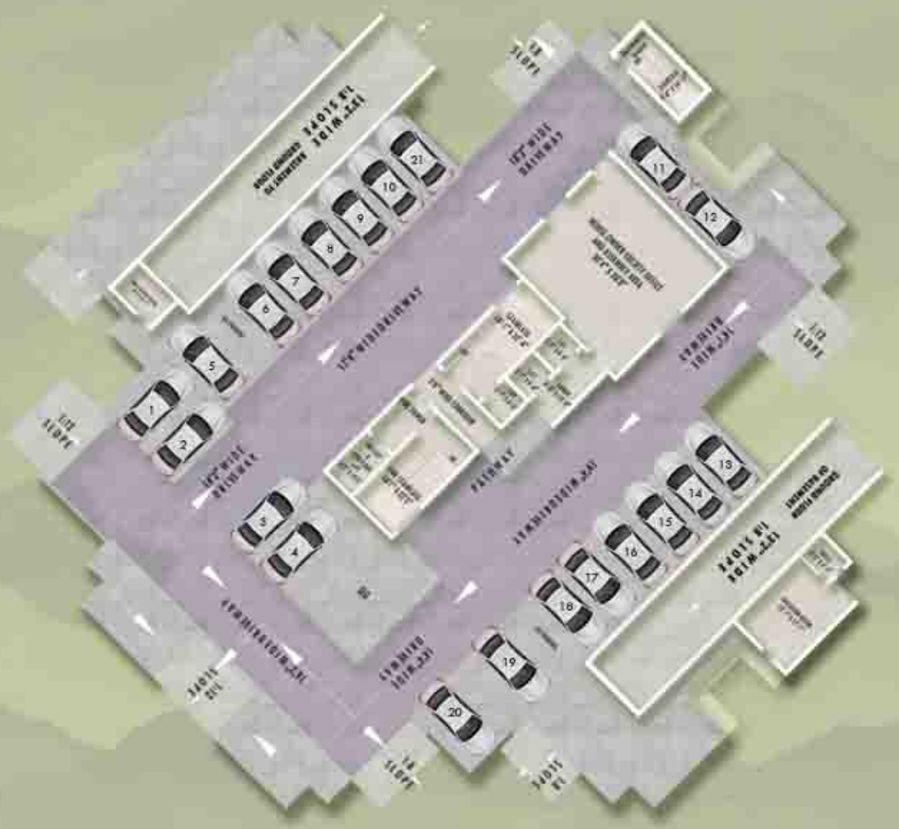

A spacious living and dining area with large windows and balcony sliding doors offers abundant natural light, fresh air, and stunning views of the Bhagabatipur mountains

Each bedroom is thoughtfully designed with an adjacent washroom for seamless accessibility

# Live the city, embraced by nature's canvas

# BASEMENT & STILT FLOOR PLAN

# Spatial Couture Living

**Efficiently designed** to maximize living and dining areas with ample daylight and natural airflow.

All bedrooms are **elegantly furnished** with king-size beds, side tables, and wardrobes.

The corridor is organized around a generously sized **central core.**

Each balcony is **strategically positioned** to frame unobstructed mountain vistas.

The **fan-blade spatial arrangement** of the flats is strategically designed to maximize indirect solar exposure and promote efficient natural ventilation.

Each toilet is equipped with an **independent exhaust ventilation system** to ensure effective air circulation.

**Four elevators** are strategically planned to minimize waiting time and congestion.

Concealed P-traps prevent odors and pest ingress at kitchen sinks and toilets.
